

Can NewstrAid help you... or someone you know?

Who do we help?

We help people and their immediate dependents who are facing hardship and who are or have been **employed in the sale or distribution of newspapers and magazines in the UK**. This means people who deal with newspapers and magazines from the time they leave the printing press until they reach the reader.

Anyone with a news
trade connection can
ask us for help.

You might need support
because of **sickness, disability,
bereavement, redundancy** or
just because you are struggling to
make ends meet.
