We are all aware of the importance of regular physical activity and the benefits of taking part in creative pursuits for our health and wellbeing.

This is especially true for children and young people, however the cost to participate in these activities can be a huge challenge for families struggling on a limited income.

The **Help for Hobbies children's recreation scheme** helps families with a newstrade connection to meet these costs so that their children can make the most of their leisure time and have fun!

The scheme can help with a wide range of costs associated with hobbies and pastimes including:

- **Annual subscription and membership fees** for sports, arts and leisure clubs
- **Competition entry fees**
- **Equipment and clothing** needed for recreational activities eg sports footwear, kits, costumes, etc
- **Membership fees** for groups such as Beavers, Cubs, Girl Guides, Scouts, Sea Cadets etc
- **After school Lessons** in sports, arts, crafts, martial arts, music, drama etc
- **Summer Camps or Holiday Clubs**
- **School Trips**
- **Equipment** that enhances physical fitness such as bikes/trikes/trampolines
